DEAR SIR:

ONCE IN A GREAT WHILE AN IDEA IS DEVELOPED WHICH SAVES SO MUCH TIME AND LABOR, IT'S REALLY WORTH CROWING ABOUT. WE HAVE SUCH AN IDEA IN OPERATION RIGHT NOW AND WOULD LIKE TO TELL YOU ABOUT IT.

WE HAVE WHAT WE CALL A DATA BANK, AND TECHNICAL INFORMATION RETRIEVAL FROM THIS DATA BANK IS ACCESSABLE TO YOU RIGHT HERE IN NEW JERSEY. SUBSCRIPTION IS SIMPLE, FAST AND INEXPENSIVE FOR THIS CENTRALIZED TECHNICAL INFORMATION SERVICE.

YOU MUST, BY NOW, BE JUST A BIT WEARY OF WRITING FOR TECHNICAL INFORMATION - BE IT CATALOGS, SPECIFICATIONS, DRAWINGS, DATA SHEETS, ETC. - AND NOT RECEIVING IT. OUR SERVICES ARE DESIGNED TO SAVE YOUR VALUABLE TIME BY RETRIEVING YOUR NEEDED INFORMATION IMMEDIATELY. YOUR HIDDEN COSTS ARE CUT NOT ONLY IN TIME SAVED IN REQUESTING INFORMATION; BUT WHEN YOU RECEIVE YOUR MATERIAL, IT IS PRECISE AND SPECIFIC.

IF, FOR EXAMPLE, YOU NEED THE SPECIFICATIONS FOR A CERTAIN COMPONENT, OUR SPECIAL TECHNICIANS WILL SEARCH OUR DATA BANK, RETRIEVE THE INFORMATION AND MAIL OUT ACTUAL COPIES OF THE SPECIFICATION SHEETS FOR THAT COMPONENT. THIS IS MUCH MORE EFFICIENT FOR YOU THAN RECEIVING A BOOK OF 500 COMPONENTS WHICH MUST BE FURTHER SEARCHED ONCE YOU RECEIVE IT.

FURTHER, YOU DON'T NEED TO WRITE A LONG REQUEST. SIMPLY PICK UP YOUR PHONE AND CALL US - THE SAME WAY YOU WOULD CALL YOUR OWN PLANT LIBRARY OR INFORMATION CENTER. THE ONLY DIFFERENCE IS THAT WE MAY HAVE MORE COMPREHENSIVE AND SPECIFIC INFORMATION THAT YOUR CENTER MAY NOT HAVE. THE FOLLOWING IS A LIST OF SOME OF OUR DATA BANK SECTIONS:

THOMAS MICRO-CATALOGS
THOMAS REGISTER
D.A.T.A. TRANSISTOR SHEETS
ELECTRONIC TEST INSTRUMENTS SPECIFICATIONS

QPL MASTER DIRECTORY
AN-MS DRAWINGS
MILITARY ELECTRONIC DRAWINGS
FSC SPECIFICATIONS

ALL OF THE INFORMATION IN OUR DATA BANK IS CONTINUOUSLY UPDATED, AND EVERY SECTION IS AVAILABLE FOR AN IN-PLANT OPERATION ANY TIME YOU SO DESIRE. FURTHER, WHEN YOU DO DECIDE TO INSTALL A FILE AT YOUR LOCATION, WE WILL GIVE YOU A 30% RETURN CASH CREDIT FROM YOUR DATA BANK USAGE FEE AGAINST INSTALLATION COST.

FOR ADDITIONAL INFORMATION, CONTACT:
